...Friend & Playmate

Watch the Screen . . .

Take a nametag & wear it . . .

Color, create, glue, lounge, enjoy . . .

- There are Jesus color sheets. blank paper, too.
- Make a wooly lamb
- Create something that makes you happy out of play dough

Post your creation on the bulletin board if you want . . .

Reflect . . .

- When you were a young child, what did you believe about Jesus?
- What was your favorite story about Jesus from Sunday School or church (if that was part of your upbringing)?
- How has that childhood perception changed?
- Some of what we believe may be like "Plastic Jesus" –not quite real or maybe a caricature. Take a minute to ask Jesus to begin to show you who he really is.
- Can you imagine yourself as a child sitting freely with Jesus, or on his knee...with his arm around your shoulder, so happy to be with you?
- Read Matthew 19: 14....**Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these."**
- Can you see him as wanting to have fun with you and enjoying what you enjoy?
- Sit with him for a few moments as his child.
